

Four valley Congressman will be at California State University, Fresno on Monday, October 24<sup>th</sup> to host the first meeting for the purpose of developing a long term Regional Water Plan for seven Valley counties. This water plan will contain solutions regarding water supply, water quality, flood control and enactment of environmental restoration measures. Representatives Dennis Cardoza, Jim Costa, Devin Nunes and George Radanovich will each give opening remarks. The San Joaquin Valley Regional Water planning effort will bring together a diverse group of experts from various interest groups throughout the Valley who are willing to work toward building a sustainable water plan for the future. The Congressmen will be available for comment in the Lobby of the University Business Center, at 10:00 am.

When: Monday, October 24, 2005

Time: 10:00 am

Place: Lobby

University Business Center

California State University, Fresno
